

Generic Adapter

E2E solution

 NTT DATA

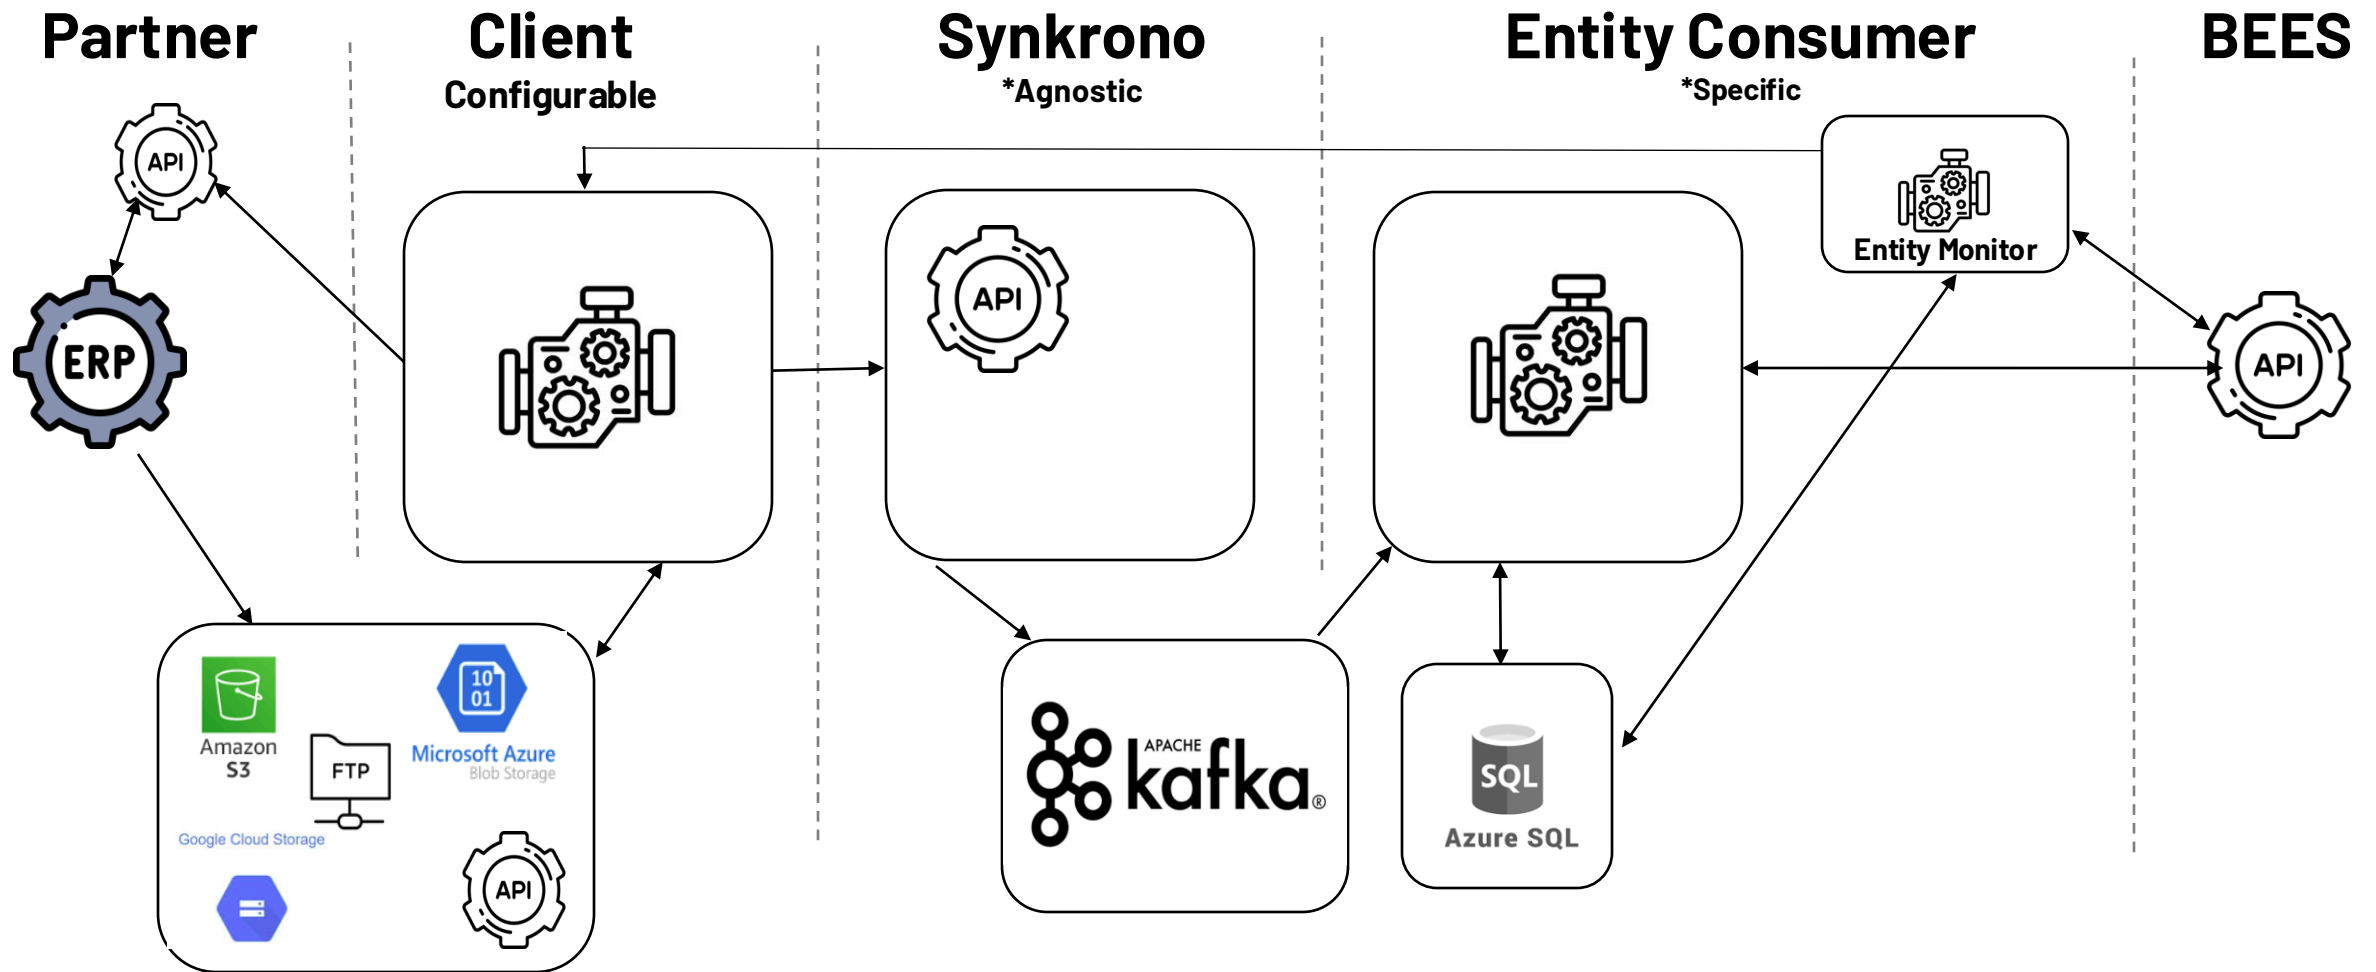

Objectives

Integrate partner's master data from ERP to BEES Marketplace in order to enable partner selling in the platform with the best possible partner's client experience.

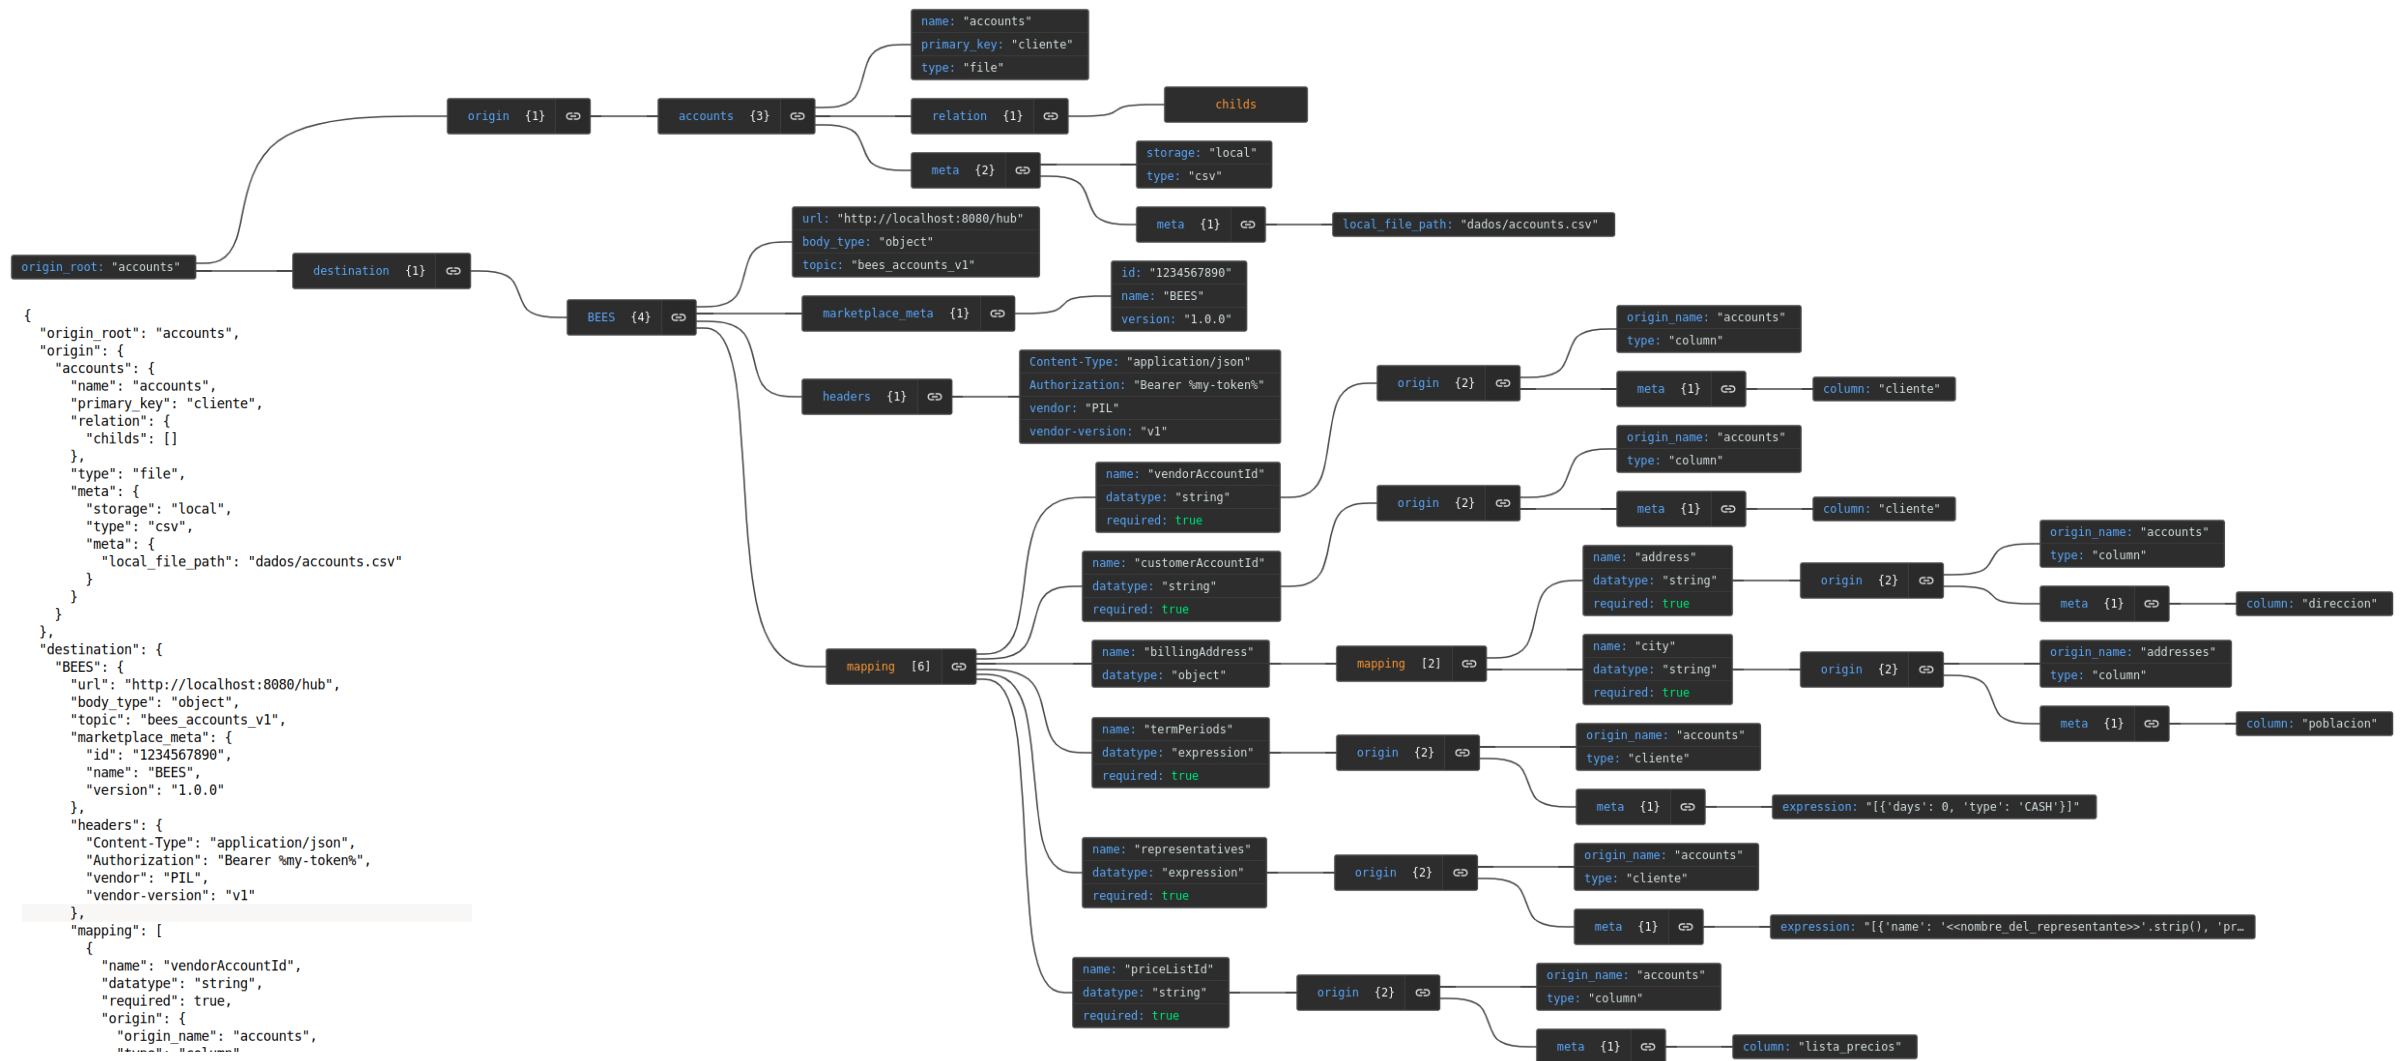

Provide a robust and scalable solution that comply with partner's reference architecture, technologies, tools, and budget.

Deliver a generic and configurable solution that can substantially reduce the time between the project start and first sale.

Macro Solution

Client configuration

Mapping examples

Columns

```
"mapping": [
  {
    "name": "vendorAccountId",
    "datatype": "string",
    "required": true,
    "origin": {
      "origin_name": "accounts",
      "type": "column",
      "meta": {
        "column": "cliente"
      }
    }
  },
  {
    "name": "customerAccountId",
    "datatype": "string",
    "required": true,
    "origin": {
      "origin_name": "accounts",
      "type": "column",
      "meta": {
        "column": "cliente"
      }
    }
  }
]
```

Objects

```
{
  "name": "billingAddress",
  "datatype": "object",
  "mapping": [
    {
      "name": "address",
      "datatype": "string",
      "required": true,
      "origin": {
        "origin_name": "accounts",
        "type": "column",
        "meta": {
          "column": "direccion"
        }
      }
    },
    {
      "name": "city",
      "datatype": "string",
      "required": true,
      "origin": {
        "origin_name": "addresses",
        "type": "column",
        "meta": {
          "column": "poblacion"
        }
      }
    }
  ]
}
```

Expressions

```
{
  "name": "termPeriods",
  "datatype": "expression",
  "required": true,
  "origin": {
    "origin_name": "accounts",
    "type": "cliente",
    "meta": {
      "expression": "[{'days': 0, 'type': 'CASH'}]"
    }
  },
  {
    "name": "representatives",
    "datatype": "expression",
    "required": true,
    "origin": {
      "origin_name": "accounts",
      "type": "cliente",
      "meta": {
        "expression": "[{'name': '<<nombre_del_representante>>.strip()', 'primary': True, 'role': 'SALES'}]"
      }
    }
  }
}
```

Thank You
